BSE/TSE STATEMENT – regarding transmissible spongiform encephalopathies (TSE's) (BSEs), Country of Origin and Melamine

For the attached list of products: There are no materials of animal origin in the raw materials or in the process aides used to manufacture any Decon products. The country of origin for all raw materials is the USA and therefor Decon products are not made with or contaminated with Melamine.

Please feel free to contact me if you require any additional information.

Thank you

Karen Wend
Manager, Quality and Technical Services
